On IDAHOBIT our executive committee member from Europe shares

“Today is the world day against homophobia, transphobia and biphobia. In our last congress we approved changes in our constitution regarding this topic. Today more than ever I am proud to represent an organization ready for changes to be able to protect all domestic workers in the world.”

Wendy- executive committee member

Care for those who care for you! Domestic workers' struggles in times of pandemic crisis in Brazil

While the middle and upper classes can easily protect themselves in spacious houses, with the option of home office, social isolation is much more complex for the popular classes who are forced to stay in work, and face precarious living and housing conditions.
