**3 Action points to protect migrant domestic workers under COVID-19**

**IDWF POLICY BRIEF**

Are you incorporating these recommendations into your work?

**Policy Recommendations for Domestic workers under COVID-19**

While contexts and dynamics across the region, the core elements of domestic workers’ situations are the same and resonate with one another. Enable the safeguarding of Domestic workers’ rights and well-being into the deeper social injustices, to make sustainable change against the structural racism and gender inequalities of the sector.

**Anti-Discrimination Measures**

- Educate the public to fight COVID-19 and discrimination at once. The pandemic is not an excuse for discrimination.
- Respect and implement the International Convention on the Elimination of All Forms of Racial Discrimination.
- Terminate unfair immigration laws through reference to the International Convention on the Protection of the Rights of All Migrant Workers and Members of Their Families as a framework.
